Nothing is simple. In looking at the economy there are those managing quite well, though inconvenienced. And there are those who are personally devastated and/or so is their business.

Looking at the new filings for unemployment, it is going to continue for a while. The other chart we share is to give you a sense of the proportionality of benefits that people receive. What is the source. We are hopeful that an additional stimulus bill will help to ease the pain.

After the impact the pandemic has had in the Hudson Valley and all of downstate New York, we look forward to helping to move New York forward.

Las Vegas Sands Corp.

We at Las Vegas Sands Corp. feel optimistic as we start 2021. As state government looks for alternative revenue to help close an unprecedented budget gap, there is opportunity in hospitality, gaming and tourism to ensure private investment. We look forward to having the opportunity to create good jobs, workforce development training and significant MWBE opportunities by developing a world class integrated resort in NYS.
